SIR,

I have the honour to forward herewith a statement showing the particulars of the 5 Registered Associations, seeking enfranchisement to the District Board to be reconstituted from 1st February next.

The total number of members to be elected from Special Constituencies in this District is limited to five and I therefore recommend that all the 5 Associations enumerated in the enclosed statement may kindly be granted franchise as each of them represent important public interests.

It may also be added here for the information of Government that all the associations recommended are being now represented on the Board, the first three by enfranchisement and the other two by nomination as suggested in Government Order No. L. 3181/L.B. 62-26-7 dated 13-11-1926 as they then remained unregistered under the Society's Registration Regulation.

The applications received from the 5 Associations together with their enclosures are also forwarded herewith for favour of reference and kind return when done with. Early orders of Government are solicited as the list of Voters of enfranchised
